

Pilot Program

Interested in trying out OnlineMedEd at your institution?
We would love to chat about our pilot program.

OnlineMedEd offers a pilot program that is structured – yet flexible – to meet your institution's needs and includes:

- 30, 60, and 90 day options
- Faculty and learner orientations
- Faculty and learner feedback surveys
- Actionable data and reports
- Customized support from OnlineMedEd's [Institutional Success Team](#)

[Click here](#) to schedule a one-on-one consultation to discuss your institution's unique needs.

Learner Feedback on OnlineMedEd:

"OME has been one of the most helpful resources for my medical education. I would recommend it to anyone pursuing medical education."

"OnlineMedEd is one of the best resources I've found in med school and was absolutely crucial to my success."

"You can free your faculty to be true educators in the classroom so that they can do active learning, apply the information that's learned through OnlineMedEd – and expand on it."

Nancy Hayes, Ph.D.

Florida State University College of Medicine
Associate Professor, Director of Clinical Foundations
